SKIN-BRIGHTENING MOISTURIZER

The TeMana Noni Skin-brightening Moisturizer is a luxurious yet weightless soothing agent, rich with noni seed extract, noni leaf juice, noni seed oil, noni fruit juice, and arbutin. This rose herbal fragrant moisturizer, complete with the Noni Brightening Serum will improve moisture, increase brightness and luminosity, and provide a healthy glow to the skin.

- Utilizes noni seed oil to moisturize the skin and give it a youthful glow.
- Contains noni seed extract, noni leaf juice, and noni fruit juice to create moisture and elasticity in the skin.
- Contains arbutin, an ingredient known for its skin-brightening properties.
- Soft texture that penetrates easily to retain moisture.

HOW THE PRODUCT FITS INTO THE TEMANA NONI REGIMEN:

This moisturizer, rich in noni, provides a luminous moisture and glow to the skin, and is best used at the end of the brightening regimen to lock in the benefits. Use the TeMana Noni Skin-brightening Moisturizer after the Serum.

TEMANA NONI REGIMEN:

STEP ONE: Massage the cleanser on the face for 1 minute, then rinse and dry

STEP TWO: Apply a light layer of the toner with a cotton ball all over the face

STEP THREE: Use 2 pumps of the serum and apply all over the face

STEP FOUR: Apply the moisturizer generously on the face and neck
