Noni

SKIN-BRIGHTENING TONER

The TeMana Noni Brightening Toner contains all of the finest elements of the noni fruit: noni seed extract, noni seed oil, noni leaf juice, and noni fruit juice. These ingredients simultaneously help to remove excess dirt and oil, improve elasticity, and eliminate the appearance of fine lines, scarring, and dark age spots. With regular, daily use, you can expect to see a brighter, smoother complexion.

- Developed to penetrate deeply into the skin for a full clean.
- Redistributes natural oils in the skin for an even, clear skin tone.
- Brightens age spots caused by environmental exposure
- Features noni seed extract—an exclusive TeMana Noni ingredient
- Noni seed extract, combined with noni seed oil, noni leaf juice, and noni fruit juice, provides superior moisture and firmness to the skin.

HOW THE PRODUCT FITS INTO THE TEMANA NONI REGIMEN:

This toner promotes cleansed and balanced skin, ideal for the absorption of the brightening serum. Use the TeMana Noni Skin-brightening Toner after the cleanser, and before the serum.

TEMANA NONI REGIMEN:

STEP ONE: Massage the cleanser on the face for 1 minute, then rinse and dry

STEP TWO: Apply a light layer of the toner with a cotton ball all over the face

STEP THREE: Use 2 pumps of the serum and apply all over the face

STEP FOUR: Apply the moisturizer generously on the face and neck
